ASSIGNMENT

WHEREAS, We, Steven Paul Boneham, of School of Molecular Medicine, University of Nottingham, Queen's Medical Centre, Nottingham NG7 2UH, GB, and **Jonathan Kelvin Ball**, of School of Molecular Medicine, University of Nottingham, Queen's Medical Centre, Nottingham NG7 2UH, GB, have invented certain new and useful improvements in an invention entitled **Peptide Presentations For Human Immunodeficiency Virus Vaccines** for which We have executed an application for Letters Patent in the United States, filed as U.S. Application No. 10/537,852 on June 8, 2005;

WHEREAS, The University of Nottingham, with its principal place of business at Trent Building, University Park, Nottingham NG7 2RD, GB, desires to acquire the entire right, title and interest in, to and under the said Improvements and the said Application;

NOW, THEREFORE, for good and valuable consideration including salary or payment for the making of inventions, or employee benefits, the receipt and sufficiency of which is hereby acknowledged, We have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said **The University of Nottingham**, its successors, legal representatives and assigns, the entire right, title and interest throughout the world in, to and under the said Improvements, and the said Application and all extensions, divisionals, continuations, renewals and reissues thereof, and all Letters Patent of the United States which may be granted thereon and all extensions, divisionals, continuations, renewals and reissues thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said Improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said Improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and including all rights to publish cautionary notices reserving ownership of the said Improvements and the said Application and all rights to register the said Improvements and the said Application in appropriate registries; and We hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said Improvements to the said **The University of Nottingham**, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that We have full right to convey the entire interest herein assigned, and that We have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that We will communicate to the said **The University of Nottingham**, its successors, legal representatives and assigns, any facts known to us respecting said Improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said **The University of Nottingham**, its successors,

legal representatives and assigns, to obtain and enforce proper patent protection for said Improvements in all countries.
